

NADCAA

Newton Abbot & District Co-Operative Allotment Association

Covid-19 Restrictions Updated 10/01/2021

The shop is closed for face to face purchases until further notice. We are however operating an '**order and collect**' scheme as per 2020.

Members can order items over the phone or by emailing Ferai. You are asked to pay using your bank's online payment facility before collecting your items. If you are unable to do this, cheques will be accepted on collection, **not cash**.

You will be given a collection time, please keep to this in order to reduce the risk to volunteers and yourselves and respect the latest regulations at all times.
