

NADCAA

Newton Abbot & District Co-Operative Allotment Association

JANUARY 2021 NEWSLETTER

Message from Secretary Steve Garlick - "We have more good news regarding grants: Just before Christmas we received confirmation that a grant bid to the DCC locality fund had been approved. This new money will pay for a lockable and waterproof, freestanding notice board on Cookes Field, the materials for a new roof for the covered area on the new orchard and education area at Decoy and materials for a covered social area on Bradley Field. Many thanks to Councillor Gordon Hook for supporting this grant application"

The fruit trees provided by a grant from Newton Abbot Town Council last year, have now been planted by Mike and Ferai on Decoy as part of the wildlife / social area. Thanks to all the volunteers who have helped recently. If you want to join them, including volunteering for the shop (from any field welcome) let your field manager know or e mail info@nadcaa.org.uk Thank you.

All the fields have wildlife areas - have you named them? If not please let your field manager know of any ideas, you have or e mail info@nadcaa.org.uk

Kingfishers have been spotted on Bradley Field and Decoy and Otters in the brook at Decoy and in the lake at Decoy Country Park!!

Great news about the many other species being spotted too. Join in the RSPB Birdwatch (Jane reminded me) [Big Garden Birdwatch | Join the fun - The](#)

[RSPB](#) 29th-31st January 2021. We would also love to hear about what you spot so let us know via [Allotment Wildlife Watch - Newton Abbot and District Co-Operative Allotment Association \(nadcaa.org.uk\)](#) or info@nadcaa.org.uk

What about this for inspiration!!

Theresa sent this in - a shed with beautiful paintings on it. Paint your own wildlife area.

Thought for today

Meryl Basham. Keep safe.
