Newsletter June 2022

Platinum Jubilee Picnic On The Plot

This was a great success, as over 100 people attended the event. A big thank you to everyone that arranged and volunteered to make it a great day and raised funds towards allotment projects.

Sunflower Competition!

There will be a competition this summer for the tallest sunflower (Date to be confirmed but likely to be in August). Start charming them now to get them taller ☺

Dogs on the allotment fields

The committee would like to remind dog owners that dogs should always be on a lead and any fouling **MUST** be cleared up. Dog fouling has been found on several occasions on the Decoy field. Tenants please be aware that allowing your dog to foul is in breach of your tenancy.

AGM

The Annual General Meeting is on the 9th July 2022 at 7:30 pm at The Rec. The committee are keen to encourage members to attend and support the future of the association. Everyone is very welcome. For people wishing to vote by proxy, the details have been sent via email. We hope to see you there!

Staying Safe in the Sun!

People are on the allotments working hard in the hot weather. If you are on your own make sure someone knows where you are, remember to hydrate, take regular breaks, wear a hat and apply that sun cream!

Training Event

A local sustainability group called Green Futures will hopefully be running a session on the monitoring of pollinators. This will be planned for a Saturday morning in July or August. Please email info@nadcaa.org.uk if you are interested in attending.

Shop Payments a request from the Treasurer

Will everyone please ensure that they make payments to the shop to the Shop Account and **NOT** to the NADCAA Current Account. An inordinate amount of time is being spent transferring funds where they have been paid into the wrong account. For clarification purposes the Shop Account Sort code is: 09-06-66 / Account No: 43194334 / Ref: Your Field & Plot Number i.e. BRADLEY5A. Many thanks.

Colony Upgrade

The Management System has been upgraded and there will be one big change at Tenancy Renewal Time. There will be one invoice per plot in your name, this replaces the single invoice for all plots. There will also be a unique invoice number for each invoice which should be used for online banking and cheques etc.
