

NADCAA

Newton Abbot & District Co-Operative Allotment Association

Newsletter January 23

Lottery Page

A number of members have signed up for our lottery page on the Teignbridge DC Good Causes Lottery Site. We have collected £13 during November and December. We would encourage more members to join and help to provide funds for the NADCAA, as well as earn the opportunity to win prizes.

Shop on Decoy Field

The shop will restart normal opening hours at the end of January. Potatoes, onions. Shallots and garlic are now in stock.

Talks to members

On **Wednesday 22 February at 7.00pm**, Michael French of **Grounded Community** will be talking about the work of this important community organisation.

The invitation for this talk will follow shortly.

Both talks should be of great interest to anyone who has an allotment or is interested in gardening both for themselves and within the community.

Coming Soon!!

We have been in negotiations with Fermoy's Garden Centre regarding a Discount Card for our members. This is in its final stages and members will be notified shortly regarding how to get their card. Full details regarding how to get the card, its use and what it covers will be in the notification.

Hele Park

The final legal work is in the process of being completed to transfer this small field to NADCAA. Sadly. With only 16 half plots it won't clear the waiting list but it will get some of the residents onto the field. Membership Secretary Keith will be moving members across when the field opens, and Decoy Field Manager Chris has offered to tutor Field Manager when they are chosen.
