Annual NADCAA Fruit & Veg. show

I am pleased to announce that the vegetable, fruit & flower show is returning.

This year's event will be held at the **NEWTON ABBOT RECREATION CENTRE** on **Saturday 9th September** starting at **10.30am**. Please see your Field manager for an entry form or download one from the website. We look forward to seeing you. More details to follow.

Moth Week

Green Futures is organising a Moth Evening on **Friday 4th August** at a private location on the **Bradley Manor Estate**.

There will be some large light boxes running that will attract the moths as the evening progresses.

If it is a warm, still evening, it promises to be a spectacular window into the world of our night time pollinators.

There are a limited number of places due to the restrictions of the site. If you are interested, please e-mail: Andrew@greenfutures-newtonabbot.co.uk

AGM

The AGM will take place on **Friday 7th July** at Newton's Place. **6.30pm for 6.45pm start.**
