Tallest Sunflower Competition

This year's winner was Elaine Davies who manages Plot 3 on Bradley Field. Our congratulations to her on winning the trophy.

MACMILLAN.
CANCER SUPPORT

A coffee morning was held in support of Macmillan at Blakes Field at the end of September. **£261.00** was raised. Well done to all who participated.

Extraordinary General Meeting

An E.G.M. of the NADCAA has been arranged **for Saturday 28th October 2023** at the Courtenay Centre, Kingsteignton Road, Newton Abbot TQ12 2QA, 6.45PM for a 7.00PM start. Please attend if you can.

Thanks To Our President

Lord Clifford Of Chudleigh D.L. has been our President for over 20 years now. He was in a very bad car accident around 25 years ago, an accident that left him with limited vision which is now failing him. As a result, he is standing withdrawing his patronage from all of the organisations that he is involved with. I am sure we all wish him the very best for the future and thank him for the events that he was able to attend over the years.

Decoy Field Essential Track Maintenance

On Wednesday the 1st of November. The main track on Decoy field is being improved and the existing tarmac tracks extended. Other than our poultry keepers, there will be no access to the field on that day. On Thursday the 2nd and Friday the 3rd of November, there will only be pedestrian access. Please do not drive on the new track on these days.

The field will be fully open again on Saturday the 4th of November. Please note that these arrangements are weather dependent and we will keep you updated if there are any changes to the plans.
