Newsletter: December 23

Pesticide – Free Gardening Guide

NADCAA Members are being invited to share our pesticide-free gardening tips for dealing with common pests and diseases for a guide to be given to local residents across Newton Abbot.

NADCAA is probably one of the largest groups of organic producers in South Devon, so our shared knowledge is really valuable for gardeners in the wider community. If you have not sent in your tried and tested tips to Green Futures, please do email “ info@greenfutures-newtonabbot.co.uk.

Thank you

Green Futures Co-ordinator

Tree-Pruning

December is a good month to prune trees to the maximum permitted height of 3.5 metres

Mole Valley Farmers

As members of the allotment association, we have Country Membership at Mole Valley Farmers. This entitles us to a 2% discount, on any item at Mole Valley. To access the discount, you need to say you are a member of NADCAA and either give our postcode, TQ12 1JQ, or our membership no. 20323217

Transition Update

Discussions are ongoing with the Town Council regarding the new Tenancy Agreement that all members and occupants will need to sign when it is sent out in January. The Council have confirmed that the rent for a half plot next year will be £36 and invoices will be sent out after Tenancy Agreements have been signed.
