

NADCAA

Newton Abbot & District Co-Operative Allotment Association

Newsletter: June 24

Amphibians

Members are reminded that it is illegal to 'dump' or to transfer amphibians from their location. Please leave them where you find them.

Allotment Pests

The recent rain has led to a large increase in slugs & snails. If any members have natural tips on how to deal with them, please email them to info@nadcaa.org.uk marked "Dealing with Slugs & Snails", we will compile them.

Seed Donation Post Boxes

One of the prospective members on the new Hele Park Site, runs the Newton Abbot Seed Library. We have given her permission to site a seed post box on each field so that members can donate any surplus commercial seeds or any seeds that they have saved to the seed library. More details to follow when they are in position.

Nature on your Doorstep at Courtenay Centre

This event is being held on Saturday 22nd June. NADCAA will be represented. Click the link for further details <https://nadcaa.org.uk/wp-content/uploads/2024/05/NOYD-POSTER.pdf>
