Green Spaces Officer / iNaturalist Project

Please see the separate page regarding Thomas Collard and an exciting new project he has launched for the Allotments.

Numbering of plots

Inspections are under way and everyone had an email regarding plot numbers, can you please ensure you have addressed any missing / hidden numbers.

Dumping of waste and rubbish

Please do not dump any waste from home on your plots. This excludes organic matter such as manure or compost. Also, bags of rubbish are being left outside the gate at Decoy Field which is annoying to local residents, please dispose of all waste appropriately

Bonfires

Please remember that as of the 31st March we are now in the "No Bonfire" season.

Tools Left Out on Plots

There were six break-ins at Decoy Field recently and in total around £6,000 worth of tools were stolen. The thieves gained entry to the sheds using tools left out on plots. Please put your tools away, they are valuable to you and a useful instrument to steal more tools.
