See attached flyer.

Annual General Meeting

The 2025 AGM will be held at 7pm on **Saturday 19th July** at the Courteney Centre. A finger buffet will be available. More details to follow. Please make a note in your diaries.

Communications Officer

There is a vacancy for a member to join the NADCAA committee to help promote the many benefits of allotments, encourage members to participate in the Association and organise events. As with all committee roles this is a voluntary position. If you would like more information please contact the Secretary using the email below.

Soil Health Workshop 13th September - Courtenay Centre

This great opportunity has been opened up to our members, but be quick as numbers are very limited and the event will book up quickly – book through the QR code on the attached leaflet.

New NADCAA Administrator Appointed

We're pleased to share that, just days after our recent email about the NADCAA Administrator role, a volunteer stepped forward and has now taken on the position. This is fantastic news and highlights the strong commitment within our membership.

With the Association no longer holding final responsibility for Tenancy matters, we now have more opportunity to focus on supporting our members and encouraging wider participation. If you're interested in learning more about the Association or how you might get involved, we'd love to hear from you.
