

NADCAA

Newton Abbot & District Co-Operative Allotment Association

NADCAA News December 2025

Hot Drinks and Mince Pies – Decoy Shop 13th December
10am – 12.30pm (weather permitting)

All members are invited to join us on Decoy Field for a pre-Christmas social with hot drinks (including hot gluhwein) and mince pies or cake. There is no charge for refreshments although small donations are welcome.

Take Extra Care – Our fields are not so busy this time of year, all members are encouraged to always have a mobile phone on them, and first aid kit handy, when working on plots in case of emergency if lone working.

Help to run your Association

We are very fortunate to have a strong committee working behind the scenes to ensure ongoing allotment provision in Newton Abbot at reasonable cost. We do however have several recent vacancies on our committee for the following roles:

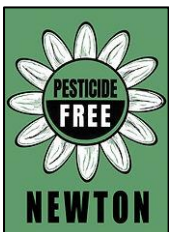

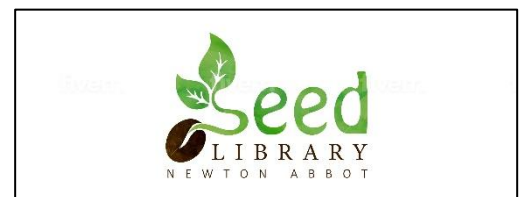

- 1 Environment and Biodiversity
- 2 Communications and Events
- 3 Additional Volunteer Field Rep' - Decoy

If you would like to find out and get more involved with your Allotment Association, please contact the Secretary at the email below.

Seed and Tree Give Away – 7th February 2026

Courtenay Centre, Kingsteignton Road, Newton Abbot.

These free events have been extremely popular over the past two years with free veg and flower seeds and trees. Many local environment related organisations and groups also have stalls.

Check The Shed – Pesticide Free Newton Abbot

This new initiative allows NA residents to book a collection of unwanted pesticides that might have been lurking in sheds for safe disposal, go to <https://www.greenfutures-newtonabbot.co.uk/pesticide-free-newton> to book your collection. We will also be arranging for any old pesticides to be collected from our fields – further details to follow.

And FinallyWishing all members and their families a joyful and peaceful festive season and a successful growing year in 2026.
